

Funding Rules

IV. Domestic Travel Grants for Collaborative Research by Researchers

**Final Call for Application
Deadline 30 April 2009**

A. Eligibility

1. Researchers currently working in Australia in the area of complex systems science.
2. COSNet Participants.
3. Visiting a location within Australia for collaborative research.
4. Documented support from collaborating researcher(s).

B. Conditions of funding

1. Up to \$2,000 for travel and accommodation to a location within Australia.
2. No more than one travel grant per person per year.
3. Co-funding cash amounts at least equal to COSNet funding are expected from Applicant's home institution or other sources.
4. Must acknowledge funding support from COSNet and the ARC in all publications that result from the visit.
5. Must provide COSNet with a [Funded Activity Report](#) stating the outcomes within two months of completion of the visit.

C. Application procedure

1. Applications using the [Application Form for Domestic Travel Grant for Collaborative Research \(by Researchers\)](#) should be submitted at least two months before the event.
2. All applications must satisfy the listed conditions of funding. Where it is necessary to rank applications, because the requested funds exceed those available, this ranking will be done on the basis of which applications best fit COSNet's aims and best satisfy its funding rules. There is no appeals process. The decisions made by the COSNet Management Committee will be final.

3. Upon receiving notification of the results of their applications, successful Applicants must acknowledge their understanding and acceptance of the specific terms and conditions of the funding, or approval will be withdrawn.

D. Payment of funding support

1. Payment of funding support shall be made as reimbursement to the institution that incurs the initial costs.
2. Funding recipients must first provide COSNet with a [Funded Activity Report](#) within two months of their visit.
3. The report must include income from all sources and breakdown of all costs incurred, attaching supporting invoices/receipts. COSNet will only pay for actual costs incurred, up to the pre-approved amount.
4. Funding recipients will then be advised to ask their home institution to issue a tax invoice to COSNet for the amount due.
5. COSNet will not entertain any request for payment unless funding recipients have fulfilled all obligations in accordance with prescribed funding rules.
